Attorneys for Defendant

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

STEPHEN HOHS,
Plaintiff,
vs.
ANDREW SAUL,
Commissioner of Social Security,
Defendant.
Case No. 5:19-cv-05217-SVK
MOTION FOR EXTENSION OF TIME
TO FILE CERTIFIED
ADMINISTRATIVE RECORD

Counsel for Defendant requests a 14-day extension of time, from January 3, 2020 to January 17, 2020, to file the Certified Administrative Record (CAR). Defendant filed the Answer on January 3, 2020.

Counsel for Defendant requests this extension in order to resolve an issue with the preparation of the CAR in this *pro se* case. Counsel respectfully asks the Court to excuse the timing of this request, which comes after the deadline for filing of the CAR, and resulted from an administrative error.

This is Defendant's first request for an extension of time. Counsel has been unable to obtain Plaintiff's position on this motion.

Respectfully submitted,

DAVID L. ANDERSON (CSBN 149604)
